PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The current FFA and GH Foster Care services contracts will expire on April 30, 2015; and the ITFC FFA and ITFC-MTFC FFA services contracts will expire on September 30, 2015. On June 23, 2014, the California Department of Social Services (CDSS) approved to extend these contracts through September 30, 2017. The recommended actions to amend these contracts will allow DCFS and Probation to continue to ensure the safety and well-being of children receiving out-of-home care placement services under their supervision.

Additionally, the form FFA and GH amendments include changes to the Terms and Conditions and Statement of Work to revise language related to Certified Foster Parents, Criminal Clearances, and Nutritional and Physical Activity, respectively, in accordance with federal mandates and to improve the well-being of the placed children.

Implementation of Strategic Plan Goals

The recommended actions are consistent with the principles of the Countywide Strategic Plan Goal #3 Integrated Services Delivery: Strategy 2 – Strengthening and Integrating Youth Protection Programs. These changes will enable DCFS and Probation to work collaboratively with contracted FFAs, FFA-ESCs, GHs, ITFCs and ITFC-MTFCs to provide a safe, protective, and nurturing environment for children and youth under their supervision.

FISCAL IMPACT/FINANCING

The estimated annual FFA placement cost is \$126.2 million, financed using 36 percent, Federal Title IV-E Waiver funds, 33 percent State funds, and 31 percent NCC funds. Funding is included in the DCFS FY 2014-15 Adopted Budget.

The estimated annual FFA-ESC placement cost is \$380,160, financed using 85 percent State funds and 15 percent NCC funds. Funding is included in the DCFS FY 2014-15 Adopted Budget.

The estimated annual GH placement cost is \$200 million, financed using 36 percent, Federal Title IV-E Waiver funds, 33 percent State funds, and 31 percent NCC funds. Funding is included in the DCFS FY 2014-15 Adopted Budget.

The estimated annual ITFC FFA placement cost is \$18.4 million, financed using 36 percent, Federal Title IV-E Waiver funds, 33 percent State, and 31 percent NCC. Funding is included in the DCFS FY 2015-16 Budget Request.

The estimated annual ITFC-MTFC FFA placement cost is \$2.0 million, financed using 36 percent, Federal Title IV-E Waiver funds, 33 percent State, and 31 percent NCC. Funding is included in the DCFS FY 2015-16 Budget Request.

These amendments will be funded by the FFA, FFA-ESC, GH, ITFC FFA and ITFC-MTFC FFA approved annual allocation of \$346,980,160.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

DCFS evaluated and determined these Form Amendments comply with the CDSS Contracting Policies Manual 23.604.38(i), which requires all contracts to include provisions for amendments and, that the Living Wage Program (County Code Chapter 2.201) does not apply, as the contracts were not awarded under the provisions of Chapter 2.121. These services cannot be effectively performed by County employees because they require the utilization of resources that are not available in the County system. The CEO and County Counsel have reviewed the amendments and Board letter. The attached Form Amendments have been approved as to form by County Counsel.

CONTRACTING PROCESS

On June 23, 2014, CDSS Contract and Purchasing Bureau approved the DCFS's request to extend the term of the FFA, FFA-ESC, GH, ITFC FFA and ITFC-MTFC FFA contracts through September 30, 2017, to allow for the completion of the State's Continuum of Care Reform (CCR).

CONTRACTOR PERFORMANCE

DCFS and the Probation Department complete annual contract compliance reviews on the 46 contracted FFAs and 68 contracted GHs. DCFS will also complete Fiscal reviews on the FFA and GH contractors not receiving fiscal reviews either initiated or completed in this fiscal year. The FFA and GH contractors recommended for contract extension are compliant with the FFA and or GH contract requirements and if required have submitted and implemented any requested Corrective Active Plans or Fiscal Corrective Action Plans.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Approval of the contract amendments will allow the departments to continue to provide FFA, FFA-ESC, GH, ITFC FFA and ITFC-MTFC FFA services to DCFS and Probation children and families. The service levels required under these amendments are the same as those in the current contracts.

CONCLUSION

Upon Board approval, the Executive Officer, Board of Supervisors, is requested to return one adopted stamped Board Letter to the Department of Children and Family Services and one to the Probation Department.

Respectfully submitted,
